prof. Johnson: All right, it's time to have some fun and skip the professor-student thing. I want you to get to know others as it is a garden party. You can just relax, chat with others, play some games and have nice food. You can play chess or cards ...

Tom: I am interested in playing chess.
Can we play together?

prof. Johnson: Sure, but you can't beat me. I have a photographic memory.
